NOTIFICATION

Subject: NDI Login Option to access e-GP system

This is to notify all users of e-GP system [*bidders and RGoB users*] that the Department of Procurement and Properties [DPP] in collaboration with the Government Technology Agency (GovTech) have integrated the electronic Government Procurement [*e-GP*] system with the National Digital Identity (NDI) system in order to deliver faster and better services. This password-less login is convenient, efficient and reliable compared to the conventional option of having to reset the password time again causing a huge administrative burden.

Therefore, DPP urges all e-GP users to familiarize with the process and use the National Digital Identity to login to the system.

[Rinzin Lhamo]
